

Come enjoy the fantastic scenery in the beautiful and historic Oley Valley. Take a nice gently rolling 20 mile ride through the valley out to a rustic covered bridge. Looking for more of a challenge? Then try our 60-mile ride to the Trexlertown Velodrome. This ride takes you over some of the same roads that pro riders from around the world have trained on. There is some climbing but the downhill payoff is spectacular. Need 100 miles? Then add on the beautiful 40 mile ride option out to the Daniel Boone Homestead.

Want to test your GPS navigation skills? New this year is an 18 mile GPS coordinate guided adventure ride. We'll give point to point GPS coordinates to guide you around the course. You must have a working GPS device and a cell phone. We will provide you with a sealed map and SAG cell phone # just in case.

Snacks and drinks are provided for registered riders at our start/finish area and at mid-ride refreshment stops on the 40- and 62-mile loops. Support vehicles will patrol all routes offering assistance to riders if needed. Riders are provided with course maps and written directions. All routes are clearly marked. After the ride relax and feast from a broad selection of goodies, pizza and our signature bite sized SHOO-FLY pies.
