## Berks County Bicycle Club: April-May 2025

[www.berksbicycle.com](http://www.berksbicycle.com)

**First Number: Terrain Rating** Terrain rating 1-5 rates the total hilliness of the ride.

**1 = FLAT**—easiest

**2 = GENTLY ROLLING HILLS**—moderate terrain with easiest of hills (Almost anyone can handle).

**3 = SOME HILLS**—Moderate hills with some steeper grades (Moderately Challenging—but within the ability of most riders).

**4 = HILLY**—The number and difficulty of hills is quite substantial (Very Challenging).

**5 = EXTREMELY HILLY**—Extreme Challenge- steep and long hills most of the ride. Requires a very high fitness level).

**Second Number: Total Mileage for ride**

Please note the Club policy on protective headgear: ALL riders must wear Snell/ANSI rated helmets. Ride Host/ Hostess will NOT give cue sheets to riders without helmets and that rider will not be considered an official participant of the Club ride.

Please have your bike in proper working order BEFORE the start of ride. Arrive 10-15 minutes before start time so that all rides leave on time. Bring a spare tube or patch kit, and at least one water bottle.

If weather conditions are questionable, the ride host may notify club members by post-

ing a message on [Facebook](#) prior to the ride or make a decision at the starting location based on road conditions and the forecast.

### SPECIAL RIDE DETAILS

## Club member taking on ultra challenge: Can you help?

Diane Grim is getting ready to take on a challenge, an adventure that few will envy: a 100-mile run.

The longtime board member, and also designer of our jerseys, by the way, received an athlete sponsorship from HOKA to compete in the Western States Endurance Run 100-Miler on June 28-29 this year.

In an email, Diane points out that this event ranks as a "Tour de France" for trail runners, with 40,000 feet of elevation gain in the Sierra Nevada Mountains.

That said, Diane is raising funds to take her support crew, which is essential for this 30-hour run.

Here's how you can help out:

## A note from the editor

This marks my final edition as coordinator/designer of *Cycling Times*, a task I assumed seven years ago.

Thanks are due to the executive committee for their support, here and with all BCBC activities; to the club members who have helped with information, photos, ideas, encouragement, etc.; and to my wife, Susan, for her excellent proofreading skills.

As of this writing, nobody has stepped up to take the position. Please consider this if you have the time and skills. It takes some six to eight hours a month, including the exec committee meeting, and it provides an invaluable service to the club.

Ride safe, my friends, and often!— Poncho Peña
